The San Antonio reunion saw members come from Idaho, New Mexico, Florida, Illinois, California, Indiana, Louisiana, and Texas to meet and have a few laughs.

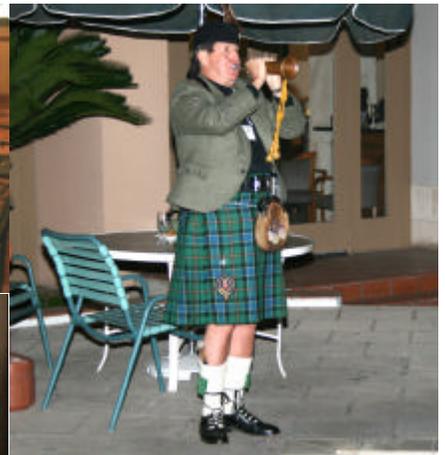

The Saturday night dinner was held at The Barn Door. The Association gave a special award to (Doc)Doug Doughty for his service to Echo CO. 2/5, we can never thank the corpsman enough for what they did in saving lives

We got to meet the owner of the Barn Door, David Straus, He join the Corp in 1943 and was in Easy 2/5 in China. Thanks , David for the great stores and the great steaks!!

We also had a hospitality room where the Association had a lunch served on Saturday. I would like to thank Jim Oglivie and John Porras for setting up the room. Good job guys! On the tables there were Marine Corp hats and magnets with the Marine logo on them for all of our members and guest.

Friday was meet and greet night . The Radisson sponsored our welcome reception with a five layered Mexican dip and chips and salsa. Gracias to the Radisson!!

Site seeing was great. The Alamo, The River Walk, and just walking around town seeing all the restaurants and stores and shops. I do know of a few lady's that took advantage of the shopping.

With the end of the year near, and the holiday season right around the corner, lets keep in mind that we have Marines on the battlefield and wish them a Merry Christmas and a safe New Year!!!

I want to thank all that help on this reunion.

Thanks To: Tony Brambilla, Jim Oglivie, John Porras

And thanks to all the members and guess for making this one of the best reunions.

I wish everyone a safe and happy New Year. See you all at the next reunion!!!
